JOIN THE RACE TO BEAT BREAST CANCER

Now in its 24th year, Ellen's Run—a community-based 5K (3.1-mile) run/walk—is the signature fundraising event of The Ellen Hermanson Foundation. Join the race to beat breast cancer by supporting this competitive and spirited 5K race, benefiting a broad range of breast health programs in the East End community!

Established in 1996, Ellen's Run is a grassroots annual tradition and a highly visible event that raises both awareness about breast cancer and funds to support The Ellen Hermanson Breast Center at Stony Brook Southampton Hospital and satellite locations in Hampton Bays and East Hampton. Over 1,000 participants attend Ellen's Run—families, runners and walkers alike. Ellen's Run is the largest and most anticipated race on the South Fork of Long Island, NY, and was voted Best Sporting Event for the last eight years by *Dan's Papers: Best of the Best*.

Sponsoring Ellen's Run will build brand awareness during the height of the Hamptons summer season, while making a tremendous difference in the lives of the community we serve. Your financial support of The Ellen Hermanson Foundation will help provide accessible mammography screening, especially for the uninsured, and psycho-social support services to breast cancer survivors and their families—free of charge. No patient is turned away from the Ellen Hermanson Breast Center for lack of insurance or inability to pay for treatment.

The Ellen Hermanson FOUNDATION

Changing Lives, Saving Lives

The Ellen Hermanson Foundation ensures access to state-of-the-art breast health care and empowers people affected by cancer.

Our beautiful corner of the East End of Long Island, has one of the highest rates of breast cancer diagnosis and mortality in New York. Having local access to screening, treatment and psycho-social support is life changing and life saving for community members who would otherwise need to travel long distances to receive quality breast health care services and support.

The Ellen Hermanson Foundation funds essential health care in our own community through 3D mammography screenings at **The Ellen Hermanson Breast Center at Stony Brook Southampton Hospital** and its satellite locations in Hampton Bays and East Hampton.

Ellen's Well provides oncological social worker-led support groups, nutrition, yoga, reiki and other healing opportunities for survivors—free of charge.

The Ellen Hermanson Foundation provides direct services that are critical in breast cancer diagnosis and support.

"The encouragement, assistance and knowledge received through services provided by Ellen's Well helped me to cope and overcome this horrific disease. I could never have been able to pay for all the love and support I received. I thank God and Ellen's Well for making me a better person through it all." L.F.

"My wife had a mammogram today at Stony Brook Southampton Hospital and she was offered a 3D mammography at no cost. The technician said it is thanks to The Ellen Hermanson Foundation. Thank you so much for such a generous gift and a valuable resource." M.T.

No patient is turned away from The Ellen Hermanson Breast Centers for lack of insurance or inability to pay for treatment.
