A WEEKEND IN MONTAUK

Including lodging, meals, horseback riding, surf lessons, fishing and more!

The Ellen Hermanson Breast Center at Stony Brook Southampton Hospital is proud to be designated a **Breast Imaging Center of Excellence by the **American College of Radiology (ACR)**.**

The Center offers a wide spectrum of breast health services, including education, early detection screenings, and breast cancer treatment and support. The Center utilizes state-of-the-art diagnostic techniques, including tomosynthesis — the most advanced mammography technology — ultrasound, and stereotactic breast biopsy.

No patient is turned away from the Ellen Hermanson Breast Center for lack of insurance or inability to pay for treatment.

The **EL**len Hermanson FOUNDATION

The Ellen Hermanson Foundation ensures access to state-of-the-art breast health care and empowers people affected by cancer.

Our mission-driven programs fund essential services for women in the East End community who need it most:

- Funding for breast health programs in partnership with **The Bridgehampton Child Care and Recreation Center, OLA (Organización Latino-Americana of the East End), The Retreat, and The Shinnecock Indian Health Center, administered through Ellen's Well**
- Providing for advanced medical equipment at the **Ellen Hermanson Breast Center at Stony Brook Southampton Hospital**
- Free breast cancer screenings for uninsured women
- A full-time oncological social worker to provide group and individual therapy through **Ellen's Well**, a free support and wellness program
- Funding for a bi-lingual, bi-cultural outreach worker
- Transportation assistance to medical appointments
- Emergency grants for diagnostic breast healthcare expenses

ELlen's Well
administered by
Southampton Hospital Foundation
